Under the Americans with Disabilities Act, PRC must make a reasonable accommodation to allow a person with a disability to take part in a program, service or activity. For example, this means that if necessary, PRC must provide sign language interpreters for people who are deaf, a wheelchair accessible location, or enlarged print materials. It also means that PRC will take any other reasonable action that allows you to take part in and understand a program or activity, including making reasonable changes to an activity. If you believe that you will not be able to understand or take part in a program or activity because of your disability, please let us know of your disability needs in advance it at all possible. Please contact PRC at 602-253-6895.

Community Action Team Meeting - CAT

"Fighting blight and crime together, connecting our community"

Meeting Dates

Thursday / February 11, 2016
Thursday / March 10, 2016

Crime Updates
Community Announcements
Connect with Neighbors

The CAT meetings are open to and hosted by the many neighborhood associations, resident leaders and community stakeholders in Central City South (CCS).

Presentations and information are provided to keep the community aware of crime and blight issues and efforts, development projects, zoning variances, and liquor applications and resources that impact the neighborhoods of CCS.

No more than 3 presentations by groups are scheduled for a maximum of 5-7 minutes at each meeting.

Time is reserved for public announcements at the end of each meeting. Refreshments are served and we have a community table available.

Together we work for positive community change!

Whose invited?

Neighborhood Associations
Tenant Councils
Block Watch Groups
Faith Based Groups
Businesses
Service Providers
Government Agencies/Departments
Any and all interested stakeholders

Host Site:

City of Phoenix HOPE VI
Emmett McLoughlin

Maricopa Healthy App Promotes Local Venues for Healthy Food and Recreation

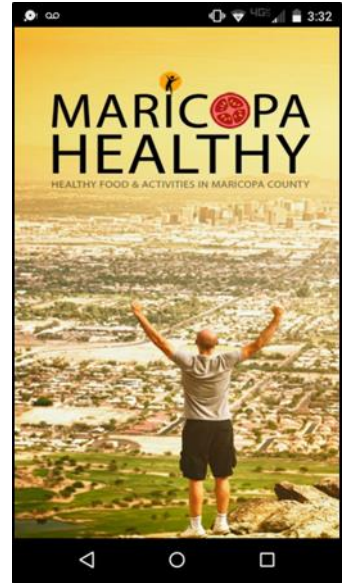

Contact: Sonia Charry, maricopahealthy@mail.maricopa.gov, 602-506-6141

Maricopa County is filled with adventures waiting to happen, and finding those adventures may be just a little easier now with a new mobile app that puts thousands of free and low-cost resources right at residents' fingertips.

The Maricopa County Department of Public Health is proud to announce the release of *Maricopa Healthy*, a free app designed to help Maricopa County residents and visitors find healthy food through local farmers' markets and fun recreation through parks around the Valley.

The newly-released *Maricopa Healthy* app helps Maricopa County residents and visitors find healthy food through local farmers' markets and fun recreation through parks around the Valley. The tool is designed to help individuals and families find low-cost and no-cost ways to live a healthy lifestyle with good nutrition and physical activity.

With over 400 local parks currently listed and more being added, there's plenty to do no matter where in the Valley you are. The app also contains a mapping feature for local farmers' markets that accept supplemental food and nutrition assistance (i.e., SNAP, WIC, FMNP).

Maricopa Healthy is currently available for FREE download in the Apple App Store for iPhones and iPads, as well as in the Google Play Store for Android phones and tablets.

Maricopa Healthy is handy tool for many uses:

Planning get-togethers with family and friends? Use the Healthy Recipes feature to find recipes that are both good-tasting and good for you.

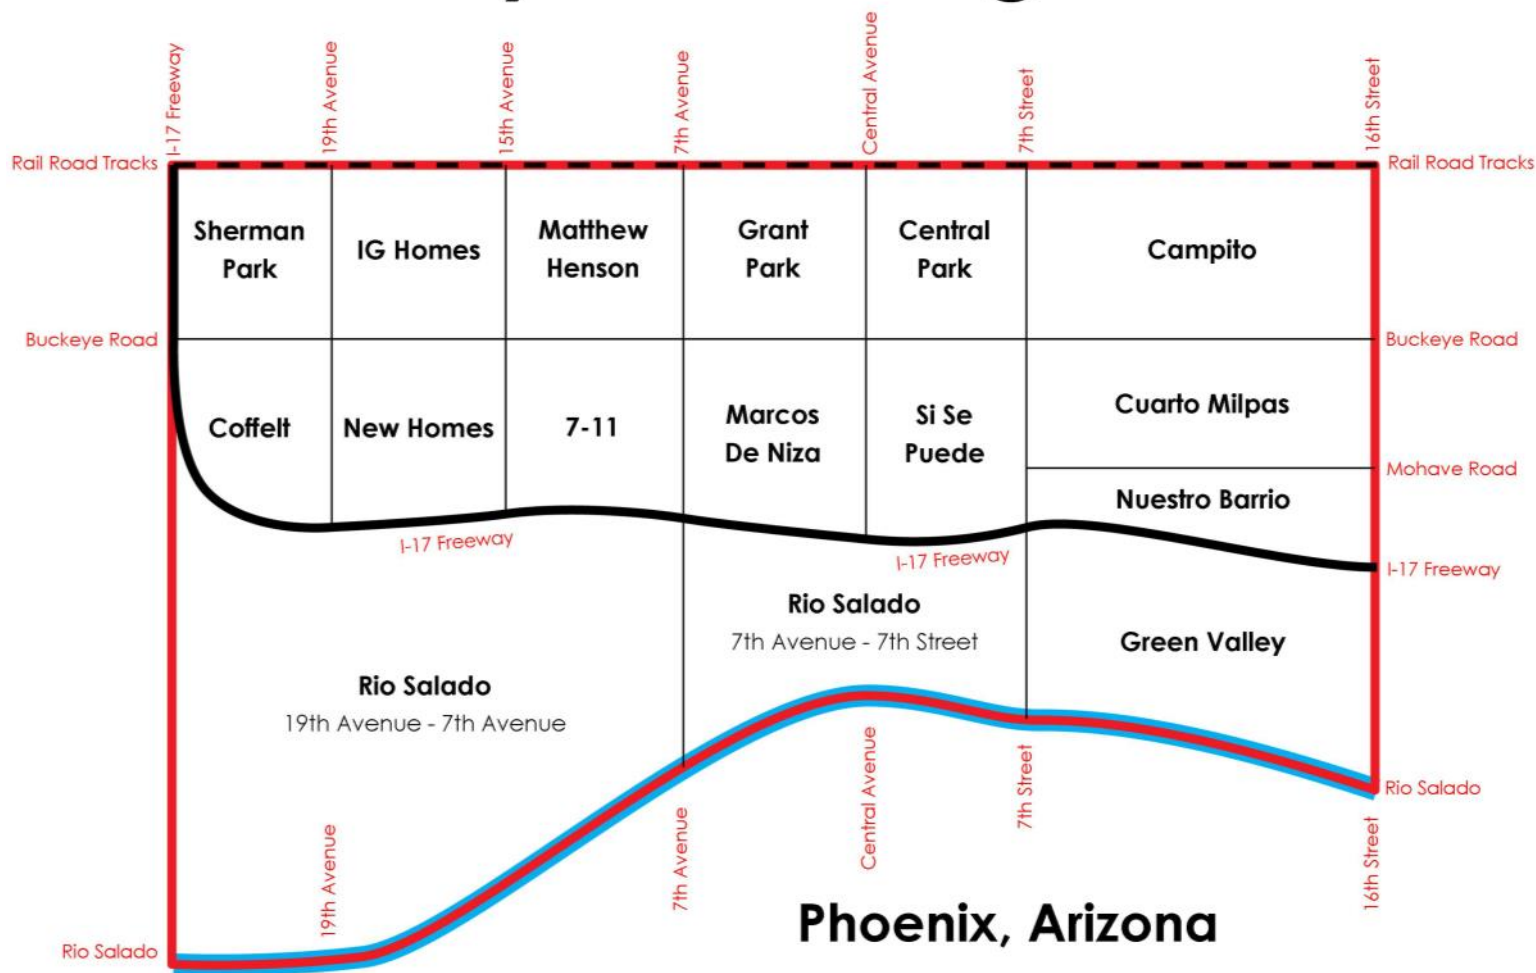

Want something to do after school/work or on weekends? Use the Farmers' Markets, Parks, and Events features to find healthy adventures located near you.

Have kids who are bouncing off the walls? Find a park near you, or play one of the Family Fun games to help them burn off their energy.

Want to get out but feel stuck without transportation? Use the Public Transportation Planner to help you get to your adventure by bus or light rail.

Find your adventure with the *Maricopa Healthy* app.

LAND REUSE STRATEGY

Purpose

Phoenix Sky Harbor International Airport (Airport) acquired noise-impacted land as part of its airport land use compatibility efforts.

With FAA guidance, the Airport and the City seek to have a land reuse strategy for this area west of the Airport.

The goal of the PHX Land Reuse Strategy planning process is to develop a vision for future land reuse opportunities that provide benefits to the local community.

Propósito

El Aeropuerto Internacional Phoenix Sky Harbor (Aeropuerto) adquirió terrenos en una zona contaminadas por ruido aéreo, como parte de sus esfuerzos para encontrar usos compatibles para los terrenos del aeropuerto.

Guiados por la Agencia Federal de Aviación (FAA), el Aeropuerto y la Ciudad, buscan crear una estrategia de reutilización de los terrenos en el área contaminada al oeste del aeropuerto.

La meta de la Estrategia de Reutilización de Terrenos de Phoenix es producir un plan que especifique las oportunidades y posibles nuevos usos para estos terrenos que a su vez generen beneficios para la comunidad local.

Get involved!

Grant Park Holiday Funn Fest

Congratulations to the Grant Park Holiday Funn Fest Committee for an amazing event on December 5, 2015 at Grant Park. Participants enjoyed food, music, vendors and the committee gave out holiday stockings and bikes!

Thank you to all the sponsors and supporters who generously gave to this community activity during the festive holiday time.

Know How to Fly Your Drone Responsibly

By Jordan Feld, Deputy Aviation Director for Planning & Environmental

Drones have become increasingly popular with hobbyists and amateur aviators. The Federal Aviation Administration (FAA) estimates that 1.6 million drones were sold last year, with about half of these units being purchased in the last three months of the year.

If you received a drone for the holidays or have one in your possession, please be aware of the rules and regulations concerning these devices, also known as an unmanned aircraft system (UAS).

You may have questions about where they can be flown and what you need to do to fly them properly and safely. America's Friendliest Airport® recently launched a new web page and notification portal for drone hobbyists to use to comply with the law, as well as fly safely and responsibly.

Drone pilots should visit <https://skyharbor.com/drones> for safety tips, an informational video and FAA rules and regulations. For example, the FAA now requires all unmanned aircraft systems, including drones, to be registered. Upon registration, drone owners will be given an identification number to place on their respective device. Those aircraft are prohibited from operating within a five-mile radius of any towered airport without notifying the airport and the control tower. The airport's notification's portal provides handy details on how you can notify the airport and FAA on flying your drone.

Know Before You Fly, so you can fly safely responsibly and have fun!

Maricopa Skill Center Offers is Expanding its Program Lineup

The Maricopa Skill Center is adding new Programs in Healthcare and Customer Service.

The Healthcare program now offers five new certificate programs: Nursing Assistant, Clinical Lab Assistant, Patient Care Technician with Advanced Skills, Phlebotomy and Pharmacy Technician.

Healthcare careers are expected to grow rapidly over the next several years according to the U.S. Department of Labor.

"We saw an increase in demand in the valley and changes in the healthcare field which created a need for employees to be trained in different areas," Assistant Executive Director CJ Wurster said. "The increase in demand is why Maricopa Skill Center decided to offer new healthcare certificate options."

The programs offer hands-on training, giving students the core knowledge needed to start their careers. Programs range in length from approximately two months to eight months.

Another new addition is the Customer Service program which will be based at the Maricopa Skill Center Northwest Campus (2931 W. Bell Rd, Phoenix AZ).

The Customer Service certificates will prepare students to work in the call center industry, teaching them how to respond to the customers needs and how to provide quality service.

The college partnered with Newbridge Telecom Solutions to create a curriculum, using the latest technologies in the industry, that reflects industry needs.

"The service center industry suffers from under developed employees," said Steve Cramer, senior vice president of operations at Newbridge Telecom Solutions. "Training programs like Maricopa Skill Center's train employees to have the level of education to make them successful in their career."

The program has four certificate options students can choose from: Call Center Careers, Call Center Representative, Call Center Management and Certified Customer Service Representative/Call Center Representative. Programs range in length from approximately two months to six and a half months

Healthcare programs are being offered at the Buckeye Campus, 1245 E. Buckeye Road, Phoenix and the Customer Service programs are offered at the Northwest campus, 2931 W. Bell Road, Phoenix.

For more information or to request a campus tour, visit maricopaskillcenter.com or call, 602-238-4300.

"My name is *Krystal Aguilera*, I am one of the lucky recipients of the Phoenix Foley Alliance James Foley Scholarship Fund. I am the first generation in the U.S. from my family and I believe my family and I represent our community in many ways. I feel like we represent the community when we help the church and support the schools surrounding our neighborhood. Our family has always been involved in school events, church activities and if something is going on in the community we always find a way to help. My family and I have dreams like many people. One of my dreams is to go to college. I now know this is an achievable goal with the help of my family and the Phoenix Foley Alliance. I'm happy I received the financial support from the scholarship, but what makes me even happier is knowing that I have the support and resources of the Phoenix Foley Alliance. Now that I am part of the Phoenix Foley Alliance, I have the opportunity to help others in need. My family and I will always try to help the Phoenix Foley Alliance when they have their Annual "More than a Rummage Sale" event and other charity events. I thank God for this opportunity and I hope the Phoenix Foley Alliance receives continued support, so more students like me can receive help...

to become who they are meant to be in life".

Krystal Aguilera
2015 Phoenix Foley Alliance
James Foley Scholarship Fund Recipient

PHOENIX FOLEY ALLIANCE
Preserving the spirit and legacy of James Foley

PhoenixFoleyAlliance.org

"Hello, my name is *Jennifer Dominguez*. I am one of the Phoenix Foley Alliance's 2015 scholarship recipients. I am thankful and proud to know that I will be supported throughout my education journey. I am glad to know I will be the first person from my family to graduate high school and college. My family and I are always volunteering in the community. One of the places we often volunteer at is the St. Vincent de Paul. My family also volunteers at the school. My mom helps in the office, classrooms and sometimes in the kitchen. My dad helps in the cafeteria as well.

My family and I are very busy all the time. I have two brothers with medical disabilities. I help my mom and dad prepare their medicine. Both of my brothers have lung, respiratory, stomach, and nutrition problems. They both have a tube in their stomach, it's called a G-tube. That's why when I grow up I will be looking forward to the medical field.

My dreams are to be successful in life. I want to help my community and help those in need. I am thankful for the people who are there for me. Thank you to Edwardo, Kristen, my family, teachers, and the Phoenix Foley Alliance. I appreciate all you guys for always thinking about others. Thank you Kristen and Edwardo for making this scholarship possible. And I thank God for all the things he has done for me."

9th Annual Mutant Piñata Show is Looking for Weird & Wacky Entries

Phoenix, AZ (January 12, 2016) - The 9th Annual Mutant Piñata Show will take place the month of March, including during the Art Detour weekend, at Chartreuse Gallery in the historic Bragg's Pie Factory building. Submissions are accepted from the community regardless of age or skill level and all submissions will be included as long as they meet the basic criteria. Pinatas can be created from any materials, whether traditional or non-traditional, and can either hang or sit on the floor. Piñata creations need to be delivered to Chartreuse Gallery March 1st from 10am - Noon. Rope for hanging and name tags will be provided by the venue.

The exhibit will be open to the public during the Grand Avenue Artwalk and First Friday event March 4th; during the Third Friday March 18th; and during Art Detour Weekend March 19 - 20th. For more info or for a submission form contact Beatrice Moore at muppetsrealmom@gmail.com

Silent Witness is a Metro Phoenix program designed to provide you with an anonymous means of providing police with information on non-drug felony crimes you have witnessed or may have knowledge of. If you provide information that leads to the arrest of a criminal or outstanding fugitive, you may be eligible for a cash reward of up to \$1000.00. Note that some unsolved crimes have reward amounts greater than \$1000.00, paid for by friends, family, or victim reward funds.

To be eligible for cash rewards of up to \$1000.00, you must call to obtain a secret code!

Community Sponsorship Opportunity!

Phoenix Revitalization Corporation (PRC) invites you to be part of a team whose goal is to "prevent heat related deaths and ailments due to the intense Arizona heat!" In 2009 we partnered with the City of Phoenix Recreation and Aquatics Department to launch the "Sizzling Safe Summer Campaign". The campaign provides:

Sponsorship:

\$750 / 8 sponsors needed

Make check payable to:

Phoenix Revitalization Corporation
1122 E. Buckeye Rd
Suite A1 / Mailbox 4
Phoenix, Arizona 85034

Deadline:

April 8, 2016

Sponsorship includes:

- Logo on all material/flyers
- Logo in Central City South Newsletter article
- name recognition at pool party events

For more information contact:

PRC Office
(602) 253-6895 or
info@phxrevitalization.org

Education and information on the following topics through the Central City South Newsletter and vendor spaces at 8 family orientated pool parties:

- Skin Cancer
- Heat Stroke
